Hello clients and friends! I do hope you are well and happy and have avoided all the winter flu's and viruses. Thanks so much for taking the time to read our latest newsletter: there are a busy few months to report, and some exciting new products.

#### Hair & Fashion Extravaganza

In our last letter we were gearing up for our Hair & Fashion Extravaganza. It was a huge success with lots of positive feedback from guests and colleagues. We raised in excess of \$10,000 for our charity 'Friends of Lauryn Louise'. A big thank-you to those of you who supported us in this fund raiser. Flip over page are see some pics of this event.

#### Hair Expo

Heidi, Kate, Amy & I attended Hair Expo at Darling Harbour in Sydney - held during the long weekend in June. It was fantastic as usual, with lots of shows and seminars. It's a wonderful opportunity to see what is being done in the hair & fashion world. Guest artists attend from all around the world, so it's certainly the place to keep up to date with the latest styles and techniques.

#### New products

Age spots, freckles, dark spots, sunspots can creep up when we least expect them. Such telltale signs of sun damage, hormonal influence and exposure to the elements take their toll on our complexion, even as early as our twenties, making skin look tired, dull and older than it really is.

The culprit is hyperpigmentation, which occurs when melanin in the skin goes into overdrive and leaves a build up on the surface of the skin that we experience as dark spots.

There is a solution- - the New Aveda 'Enbrightment' brightening skin care regime. These products were developed to offer a multi-pronged approach to brighter, more even-looking skin tone without the use of harsh ingredients.

Please ask us about this new range when you are next in the salon, as I have been trialling it for 8 weeks and am extremely impressed with the results.

#### Baby

Celine from the Mt Lawley salon gave birth to a beautiful boy on 26th June - his name is Connor. We're not sure when Celine will be back at work as she has her hands full with Connor and little Jamie as well!

#### Education

Next month I have the honour of going to London with Aveda to attend a five day training program. This is an extension of the six days I did in Melbourne earlier in the year, and I'm very excited and really looking forward to this program, as it's facilitated by Scott Buchanan, who has amazingly successful salons in New York.

#### Our team

Our new team members are Clint and Julia as junior stylists in Kalamunda, and Megan, who is a new senior stylist in Mt Lawley. Bree is really enjoying Italy and has had a wonderful time thus far!

Thank you once again for your time and continued patronage.

Julie Jeffery
